*Savings are based on a 60-day potential of pool visitation (88 days equals full potential for pass usage)

~ A family constitutes five (5) members – two adults, three children- living in the same household

- *All members must be listed on the pass at the time of purchase*
- *One child can be substituted for an adult (one adult, four children)*
- *All passes are to be issued at the Municipal Office (in order to determine "In-Town" versus "Out-of-Town" with a photo ID) and sent to the pool with daily deposit bags (if the pass is to be used on the same day, the Municipal Office shall call the pool to notify them of the persons who shall be permitted to enter)*
- *Pool patrons will not keep their passes. They will be kept at the pool in an index card box in alphabetical order. Pool patrons will sign in and lifeguards will verify that those patrons are listed on the pass.*
